Qualica-RD CAPELLA 8000

Rotary turnstile with glass blade designed for access control.

Qualica-RD CAPELLA 8000. This turnstile has a 900 x 900mm (1 piece) leaf and allows the passage of wheelchairs, baby carriages, etc. You can opt for a larger passage width (2 pieces) of 1800mm, which allows the entry of 3-4 people at the same time. It incorporates 4 infrared sensors in the upper part.

The post is made of stainless steel and has a diameter of 168mm, it can be installed in any narrow place. The top panel is black tempered glass and is surrounded by a LED light bar, red or green depending on the validity of the passage.

3 years warranty. With standard relay signal, it can be integrated with any type of third party access control system. It is ideal for areas with pedestrian traffic: buildings, public restrooms, libraries, movie theaters, gymnasiums, etc.

QUALICA-RD

CAPELLA 8000 Rotary Turnstile

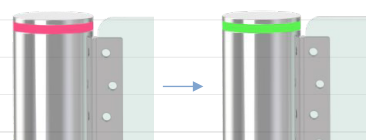

Features

- Anti-interruption function: The turnstile locks automatically until it receives the opening signal.
- Automatic restart function: If the user does not pass within the prescribed time, the system will cancel the current user's authority automatically.
- Fire safety requirements: when power off, the turnstile will open automatically.
- Generally, it is controlled by button or remote control; the card reader can be installed on the wall.

 **NEW!** It incorporates **3 sensors**.

Technical specifications

| | | |
|-----------------------|--|---|
| Frame material | stainless steel 304 |  |
| Arm material | plexiglass / stainless steel | |
| Dimensions | 168 * 1050 mm | |
| Weight | 60kg/pcs | |
| Pitch width | 600-900mm (one step) | |
| Pitch direction | Monodirectional and bidirectional | |
| MCBF | 5 million | |
| Power supply | AC220V/110V, 50/60Hz | |
| Operating voltage | 24V DC | |
| Power consumption | 40W | |
| Operating temperature | -15 °C - 60 °C | |
| Operating humidity | 0 ~ 95% (no freezing) | |
| Operating environment | Indoor / Outdoor | |
| Flow rate | 30 persons per minute | |
| LED indicator | Yes | |
| Infrared sensor | 4 sensors | |
| Communication | Communication Dry contact, relay signal, RS485 | |
