# Qualica-RD **VEGA**

The bi-directional turnstile as fast as a star...

**The turnstile Qualica-RD VEGA** is our "fastest" bi-directional turnstile with speeds up to **55 persons per minute**. With emergency opening, automatic reset function, LEDs indicators, alarm function, anti-intrusion. Integrates lights on the doors to mark valid or invalid access.

**3-year warranty.** It is one of the most silent and robust bidirectional lathes on the market, due to a technology that guarantees an average of **15 million uses** without impact on the "brushless" mechanics.

Ideal for accesses with buildings, museums, football stadiums, administrations, cinemas, gyms, etc.

# VEGA Turnstile

## Features

- The top is covered by a high black tempered glass to show a more attractive character.
- The tempered glass cover and card panel are incorporated into the traditional stainless steel design.
- The full steel body is surrounded by a dazzling decorative LED light bar that adds a distinctive aesthetic sense.
- It is ideal for both indoor and outdoor use.
- A choice of one-way or bi-directional.

## Technical Specifications
